Ref: Authorization

Dear Mrs Sporysheva,

Per your request, this letter is confirming that School of Young Politicians Gymnasium 1306 is IB World School, authorized to teach the Diploma Programme (DP). The school's official authorization date is 1st September 2010.

As an IB World School, you are part of a global community of schools committed to developing knowledgeable, caring young people who will be ready to negotiate their futures successfully and make contributions resulting in a more harmonious and peaceful world. We commend your school's educators, administrators, students and families for their active roles in choosing to offer the DP. The positive results of this choice are surely more and more evident in your community with each passing year, as classes of DP students graduate and undertake activities that enhance social, cultural and economic environments locally, nationally and, perhaps, internationally.

We look forward to working closely with you for many more years to come to realize our shared vision of a better and more peaceful world, achieved through intercultural understanding and respect.

Sincerely yours,

Andrew Macdonald
Chief Schools Officer
